

Molly With That Lean

Soulja Boy

So, soulja
Ohh, on the b, oh put the b
And I got to drink
We know I do my thing, money game On the b picked all my bentley keys
You stay lacking and I put her on the b
Molly with that lean, rolling through the streets
Bitch I'll do my thing, bitch I'll do my thing
On the b picked all my bentley keys
You stay lacking and I put her on the b
Molly with that lean, rolling through the streets
Bitch I'll do my thing, bitch I'll do my thing
Molly with that lean rolling through the streets
Man I do my thing, thing boy I stake, boy I stake
Boy you know I'm packing, ya'll boys playing
Pull up in that porsche, like what you really sayin
Do this every day day, do this all the time, time
Now I'm on my hustle, man I'm on my grind
In a big time, say I'm in a big time I'm in a big leash
Oh no so you stay, and you in the vip
A minute in the streets, man I'm in your fucking girl
Take her to the crib, molly roll, molly roll
With that lean, with that lean, with that smoke, with that smoke
I'm on the yacht, I'm on a boat
On the b picked all my bentley keys
You stay lacking and I put her on the b
Molly with that lean, rolling through the streets
Bitch I'll do my thing, bitch I'll do my thing
On the b picked all my bentley keys
You stay lacking and I put her on the b
Molly with that lean, rolling through the streets
Bitch I'll do my thing, bitch I'll do my thing Molly with the lean, molly with the lean
Molly with the lean, molly with the lean
Molly with the lean, molly with the lean
Molly with the lean, molly with the lean On the b, strugglin out the club
Stumbling looking for my keys, keys
Hop inside the porsche swerving almost free
Rolex on my wrist so let's hole it up if you pay pay
It's rolex game game
It's what I play, I pull her lover 20 racks in my pocket

My pocket, what I'm running with the lean like I'm fussy, fussy
Again again, yeah money and you niggas can't stop it, stop it
You can't stop it, can't stop it
Say I'm a king, I'm a king
All the girls in the club say I'm clean, say I'm clean
I wake up in the morning do my thing, do my thing
And your girlfriend right here she on a bin, she on a bin
She on a bin, molly with the lean lean, with the lean Molly with the lean, molly with the lean
Molly with the lean, molly with the lean
Molly with the lean, molly with the lean
Molly with the lean, molly with the lean On the b picked all my bentley keys
You stay lacking and I put her on the b
Molly with that lean, rolling through the streets
Bitch I'll do my thing, bitch I'll do my thing
On the b picked all my bentley keys
You stay lacking and I put her on the b
Molly with that lean, rolling through the streets
Bitch I'll do my thing, bitch I'll do my thing
