

# Back On Holiday

**Robbie Nevil**

It's quarter to nine  
so tired I can barely move  
No one's at work on time  
I'll be there in an hour or two.  
Five days a week is absurd  
a few days off in his crazy world  
Is something I could use  
I'm going -Back on holiday  
isn't it time we had a vacation?  
Back on holiday  
need a little rest and relaxation!  
Pick up the phone  
tell the boss I'm not coming in  
I'm busy taking it slow  
no time to waste in a traffic jam.

Morning  
noon and night I think I've paid my dues  
Pack my bags and I'm ready to make my getaway  
I'm going -Back on holiday  
isn't it time we had a vacation?...  
You know that sometimes life can turn into all work and no play  
So if you feel like you need it  
just go back on holiday.  
Five days a week is absurd  
a few days off in this crazy world  
Is something I could use  
I'm going -
