

More Than a Woman

Bee Gees

Oh, girl I've known you very well
I've seen you growing everyday
I never really looked before
But now you take my breath away Suddenly you're in my life
Part of everything I do
You got me working day and night
Just trying to keep a hold on you Here in your arms I found my paradise
My only chance for happiness
And if I lose you now I think I would die
Oh say you'll always be my baby
We can make it shine
We can take forever just a minute at a time More than a woman
More than a woman to me
More than a woman
More than a woman to me There are stories old and true
Of people so in love like you and me
And I can see myself
Let history repeat itself Reflecting how I feel for you
Thinking about those people then
I know that in a thousand years
I'd fall in love with you again This is the only way that we should fly
This is the only way to go
And if I lose your love I know I would die
Oh say you'll always be my baby
We can make it shine
We can take forever just a minute at a time More than a woman
More than a woman to me
More than a woman
More than a woman to me More than a woman
More than a woman to me
More than a woman
More than a woman to me More than a woman
More than a woman to me
More than a woman
More than a woman to me More than a woman
