

# Rise Like a Phoenix

## Conchita Wurst

Waking in the rubble  
Walking over glass  
Neighbors say we're trouble  
Well that time has passed Peering from the mirror  
No, that isn't me  
Stranger getting nearer  
Who can this person be You wouldn't know me at all today  
From the fading light I fly Rise like a phoenix  
Out of the ashes  
Seeking rather than vengeance  
Retribution  
You were warned  
Once I'm transformed  
Once I'm reborn  
You know I will rise like a phoenix  
But you're my flame Go about your business  
Act as if you're free  
No one could have witnessed  
What you did to me Cause you wouldn't know me today  
And you have got to see  
To believe  
From the fading light I fly Rise like a phoenix  
Out of the ashes  
Seeking rather than vengeance  
Retribution  
You were warned  
Once I'm transformed  
Once I'm reborn I rise up to the sky  
You threw me down but  
I'm gonna fly And rise like a phoenix  
Out of the ashes  
Seeking rather than vengeance  
Retribution  
You were warned  
Once I'm transformed  
Once I'm reborn  
You know I will rise like a phoenix  
But you're my flame
