

# Catastrophe (Acoustic Demo)

## Forever the Sickest Kids

Wake up your a drama queen  
Carry on like your supposed to be  
Get away hurry up come on  
Get awayHow long have you been in your bedroom?  
It's been three days straight with your sheets and your pillows  
The crack on the walls a reminder of my father and all his integrity  
I know that I shouldn't let it get to me (But it does and who am I kidding)

A dead end job unlike a family  
This town gets to meWake up your a drama queen  
Carry on like your supposed to be  
Get away hurry up come on  
Get away gotta get up and bail  
Break out from the drama scene  
Stick around and you'll bury me  
Get away hurry up come on

This is becoming a catastropheI've made up my mind took time to think of everything I could do  
It may be hard but I'm trying hard to comprehend where I quit and where I should beginI know that I shouldn't  
let it get to me (But it does and who am I kidding)

A dead end job unlike a family  
This town gets to meWake up your a drama queen  
Carry on like your supposed to be  
Get away hurry up come on  
Get away gotta get up and bail  
Break out from the drama scene  
Stick around and you'll bury me  
Get away hurry up come on

This is becoming a catastropheThis is becoming a catastropheYour a fake  
A product of a no good  
Average mistake

To come and remainI know that I shouldn't let it get to me (But it does and who am I kidding)Wake up your a  
drama queen

Carry on like your supposed to be  
Get away hurry up come on  
Get away gotta get up and bail  
Break out from the drama scene  
Stick around and you'll bury me  
Get away hurry up come on  
This is becoming a catastrophe
