

Tutti Frutti (Richy Ahmed Remix)

New Order

Tutti frutti
Amore mio
Tutti frutti
No
Non Ã" ancora il momento di entrare
Non Ã" ancora il momento diLife is so crazy these days
I don't know how to adjust
Are we the master or slave?
Do we need passion or lust?Are we just caught in the days
So many words in a phrase
Life is so crazy these days
Life is so crazy these daysYou've got me where it hurts
But I don't really care
'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel lowI'm paper in your hand
I'm under your command
And I'll never let you go
'Cause you're that girlTutti fruttiI had a beautiful dream
For a picture so serene
But I don't know what it means love
I just want your loveGeneration's lost in space
Trying to find the human race
We're living in a state of grace
Where every scholar means a dollarAnd sometimes I just can't go on
I feel like I'm a setting sun
I know my eyes are burning bright
I just need you to make it rightYou've got me where it hurts
But I don't really care
'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel lowTutti fruttiYou've got me where it hurts
But I don't really care

'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel low You've got me where it hurts
But I don't really care
'Cause I know I'm OK
Whenever you are there
You take me to a place
I always wanna go
You always make me high
Whenever I feel low Whenever I feel low
Whenever I feel low
Whenever I feel low
'Cause you're that girl Tutti frutti Non mi interessa il nome vero
Non mi interessa la vita reale
Quella canzone
E tu?
Sei tutti I frutti
