Jean

Jeanette Biedermann

Just the other day I started thinkin'
How we messed up our love and fell apart
I'm feeling weak an' I'm gonna lose my guard

An' I really couldn't keep on playing "hangin' tough"
Need you still today
Don't you stay away
Love is real

And I will show you
In a way that made me see
'Twas the name you gave to me
I've realized I cannot do much better
You're the one I'm countin' on
Every time I hear this song
I would move the world to see you laughin'
Have seen the light, boy, I gotta hear your voice

I'd follow you to each an' ev'ry place
If you saw darlin' you would be amazed
But I know that I would have to do some changin'

I'll have to endure
Love is real
Waitin' for my cure

And you can show me
EvEry day I'm hopin' for a sign from you
It's ok
That tells me it's ok

An' I can't wait to hear you call
Refrain
