Roberta

The Animals

I ain't mad at you
Don't you be mad at me
I ain't mad at you
So don't you be mad at meOne and one is two
Two and one is threeI wanna find my baby, goin' away downtown
Too much baby, how much baby
I wanna find my baby, goin' away downtown
Too much baby, how much babyIf I can't find Roberta, going to jump overboard and drown
Too much baby, how much babyOh, I said I ain't mad at you, Roberta
Don't you be mad at me, Roberta
I ain't mad at you child, Roberta
Don't you be mad at me, RobertaOne and one is two, Roberta
Two and one is three, come on babyOh, going to pawn my whistle, pawn my watch and chain
Too much baby, how much baby?
Going to pawn my whistle, pawn my watch and chain
Too much baby, how much baby?If I can't find Roberta, I'll hand over all my pay
Too much baby, how much baby?Oh, I said, I ain't mad at you, Roberta
Don't you be mad at me, Roberta
I ain't mad at you, Roberta
Don't you be mad at me, RobertaOne and one is two, Roberta
Two and one is three
