

Infectious Grooves

Infectious Grooves

Insan, the mother funksters tear it up
The beat that makes you wanna stomp it up
Rhythm, you just can't get enough of the Infectious Grooves
Hardcore and then they switch it to the smoothGot vibe-mix it in with the groove
The plague that's gonna make your booty move
It's the Infectious Grooves
Gave it-the network of ability, threw in-all kind of insanity
Add it up and now you got the recipe of The Infectious GroovesTalk to me baby, you should've been good
You think you're on it but you ain't got nothing on me
It ain't as if I hadn't told you so
So now you sit and then you go and when you hear itDamn, that's what you say when you hear us
Jam, 'cause the boys know how to make it all
Slam, now you wanna get with the program of the Infectious Grooves
Pack'n-a loc'd kinda zak that'sAttack'n with the bass that's pump'n
And smack'n, leave you breathless coughing
And hack'n with Infectious Grooves
We found the hippest, hardest, heaviest soundTook it straight from the underground
Now you got the plague that's going around
Known as Infectious GroovesTalk to me baby, it's me again
I love to tell you 'cause it ain't the way that you wanna hear
You try to stop it but I seen you move your booty
Move that booty, mmm, that's a booty
She has a very nice booty Infectious
Now you know it's InfectiousIt's Infectious, the rhythm that'll tear it up
Infectious, the beat that makes you get on up
Infectious, the mother funksters tear it u
With the Infectious GroovesInfectious, a loc'd kinda zak that's
Infectious, with the bass that's pumpin'
And Infectious, leave you breathless coughing
And the Infectious GroovesInfectious, switch to the smooth
And it's Infectious, miz it in the groove
And it's Infectous, the plague that makes your booty move
It's the Infectious GroovesInfectous, the plague that makes your
Infectous, the plague that makes your
Infectous, the plague that makes your booty move
