

Legs

ZZ Top

She's got legs, she knows how to use them
She never begs, she knows how to choose them
She's holdin' legs, wonderin' how to feel them
Would you get behind them if you could only find them? She's my baby, she's my baby
Yeah, it's alright, oh yeah She's got hair down to her fanny
She's kinda jet set, try undo her panties
Every time she's dancin' she knows what to do
Everybody wants to see, to see if she can use it She's so fine, she's all mine
Girl, you got it right She's got legs, she knows how to use them
She never begs, she knows how to choose them
She's got a dime, all of the time
Stays out at night, movin' through time Oh, I want her, sure, I got to have her
The girl is alright, she's alright
