# Crawl Back In

## Dead By Sunrise

Sometimes I look at my own face
And I don't know who I am
I see a piece of everyone I know
Buried underneath my skinI don't wanna be like them
I wanna crawl back inIt's hard to think of anything
That I haven't heard before
I hear these voices in my head
They could be mine but I'm not sureI hear them telling me who they think I should be
Why won't they leave me alone?
I can't deny it, I try to fight it
But I'm losing controlI don't wanna be like them
I wanna crawl back inDon't wanna lose my innocence
Don't want the world second guessing my heart
Won't let your lies take a piece of my soul
Don't wanna take your medicine
I wanna crawl back inSometimes I lie
Sometimes I crawl
Sometimes I feel like I wanna dieI don't wanna be like them
I wanna crawl back inDon't wanna lose my innocence
Don't want the world second guessing my heart
Won't let your lies take a piece of my soul
Don't wanna take your medicine
I wanna crawl back inI wanna crawl back in
I wanna crawl back in
Hey
