I Feel a Song Coming On

Sonny Rollins

I feel a song comin' on
And I'm warning ya
It's a victorious
Happy and glorious new strain!
I feel a song comin' on
It's a melody!
Full of the laughter
Of children out after the rain!
You'll hear a tuneful story
Ringin' thru ya!
Love and glory!
Hallelujah!
And now that my troubles are gone
Let those heavenly drums go on drummin'
Cause I feel a song comin' on!I feel a song comin' on
And I'm warning ya
It's a victorious
Happy and glorious new strain!
I feel a song comin' on
It's a melody!
Full of the laughter
Of children out after the rain!
You'll hear a tuneful story
Ringin' thru ya!
Love and glory!
Hallelujah!
And now that my troubles are gone
Let those heavenly drums go on drummin'
