

# It's A Beautiful Day

## Queen

There's nothing wrong with me, I'm okay  
It's only because recently been kind of gray that I feel down I know what I'm aiming for  
Don't think so much about everything and let the day take over  
It ain't that hard to do It's a beautiful day outside  
But you don't know how to fly There's nothing wrong with you, you're okay  
It's only because things don't always go your way that you feel down Hey what you waiting for ?  
Don't think so much about everything and let the day take over  
It ain't that hard to do It's a beautiful day outside  
But you don't know how to fly It's a beautiful day outside  
But you don't know how to fly Hey, what you waiting for?  
Don't think so much about everything and let the day take over  
It ain't that hard to do It's a beautiful day outside  
But you don't know how to fly It's a beautiful day outside  
But you don't know how to fly It's a beautiful day  
It's a beautiful day  
It's a beautiful day
