

Rain When I Die

Alice in Chains

Is she ready to know my frustration?
What she slipping inside, slow castration
I'm a riddle so strong, you can't break me
Did she come here to try, try to take me? An' did she call my name?
I think it's gonna rain
Oh, when I die Was it something I said, held against me?
Ain't no life on the run, slowly climbing
Caught in ice so she stares, stares at nothing
I can help her but won't, now she hates me So did she call my name?
I think it's gonna rain
Oh, when I die She won't let me hide
She don't want me to cry Will she keep on the ground, trying to ground me?
Slowly forgive my lie, lying to save me
Could she love me again, or will she hate me?
Prob'ly not, I know why, can't explain me An' did she call my name?
I think it's gonna rain
Oh, when I die
