It Was Nothing

The Coral

I've got something to tell you
But I can't find the words
I could have sworn that I had told you
You said you never heardIt was nothing
It was nothing
It was nothing
Just you and meI had so much to say
But my mouth it went dry
For my thoughts were on display
I've laid down and diedIt was nothing
It was nothing
It was nothing
Just you and meI've got something to show you
But my actions let me down
All the words I had to tell you
Were nowhere to be foundOh, it was nothing
It was nothing
It was nothingIt was nothing
It was nothing
It was nothing
Just you and me
