

This Photograph Is Proof (7th Av) 2

Taking Back Sunday

Well, I'll wait till you listen
I won't say a word
To follow your instincts
Just never worked for me
Your silent but strong, (yeah, I'm playing that card)
And your noticing nothing again Now I'm lying on the table
With everything you said
Keep that in mind the way that it felt
When the most I could do was to just blame myself (yeah, I'm playing that card)
When the most I could do was to just blame myself
And I know you know, everything
I know you didn't mean it
I know you didn't mean it I know you know, everything (drop everything)
I know you didn't mean it (start it all over)
I know you didn't mean it (remember more than you'd like to forget) So, we're talking forever
And you almost feel better
But, better's no excuse for tonight
You see, it's never been enough
To just leave or give up
But, it's never good enough to feel right Now I'm lying on the table
With everything you said
It will all catch up eventually
Well, it caught up and honestly
The weight of my decisions
Were impossible to hold
But they were never yours
They were never yours Well I, know you know, everything
I know you didn't mean it
I know you didn't mean it I know you know, everything (drop everything)
I know you didn't mean it (start it all over)
I know you didn't mean it (remember more than you'd like to forget) Drop everything, start it all over
Remember more than you'd like to forget [x2] Would you like to forget
Would you like to forget
Drop everything, start it all over
Well, drop everything start it all over (would you like to forget)
Drop everything start it all over
Start it all... Well I, know you know, everything
I know you didn't mean it
I know you didn't mean it I know you know, everything (drop everything)

I know you didn't mean it (start it all over)
I know you didn't meant it (remember more then you'd like to forget)I know you know
I know you know...you know, you know, you know...
