

Every Stone

Manchester Orchestra

Well you might just miss the mark if you're keepin' everyone away
(Didn't mean to, didn't want to)

Well you might just leave a mark if you don't give anyone a say
(Never want to, you never mean to)(Chorus 1)

Every stone I've thrown has gone away, it's gone away, it's gone away
Every stone I've thrown has gone away, it's gone away, it's gone away
Away

AwayIt's a notion that doesn't matter even if we stay
(And it's overrated, and manipulated)

Nobody ever has a say, it makes me wonder who can wait
(And it tests my patience, cuz it's not worth waiting)(Chorus 2)

Every stone I've thrown has gone away, it's gone away, it's gone away
Every stone I've thrown has gone away, it's gone away, it's gone away
Away
Away
Away
Away
Away(Outro)
Away
Away
Away
