Cleveland Is the Reason

Kid Kuddi

Verse 1:
I come from Cleveland,
Y'all can really hear it now.
Hit 'em like comic books,
Kaboom powpow.
Into a girl's mind, spit-fine-a-wine-dine
I keep two phones, sidekick for bad dimes.
And a topical question is why I'm so chill,
Girls don't understand, he ain't even made a mill.
They say I'm complexed just like the magazine,
I wear my closet complex like a magazine.Bridge:
I get in their head, they don't even see my bread.
Oh so, oh so fly, cool as I wanna - one hell of a guy.I keep 'em short, sweet, thick and petite,
Ridin' alongside in my Cutlass Supreme.
I'm from a place where old school's are common,
Gotta explain every time I'm rhymin' I be..Chorus:
I be all day rollin' in my whip, got my sippin' cup out on the low.
I keep two pretty woman by my side, I'm cooler than a polar bear's toes
And I say,
Cleveland is that, Cleveland is the, Cleveland is the reason I'm cool.
Cleveland is that, Cleveland is the, Cleveland is the reason I'm leanin'.
Cleveland is that, Cleveland is the, Cleveland is the reason I'm cool.
Cleveland is that, Cleveland is the, Cleveland is my, my city, city."Verse 2:
Yup, yuppers, smile all the time while
I chop it up like Michael Watt's, slow talk style.
So the girlies can really catch all my accent,
And the double O got her own accent.
Some niggas sell drugs to provide for they fam,
Some niggas sell CD's up out they trunk man.
Some niggas they go to school for that higher learnin',
I play them old j's while I'm turnin' lanes.Bridge:
We be on our shift, freakin' black and milds, still controllin' the whip.
Ain't no city like Cleveland, cruisin' wit my bad bitch in the evenin'.You wanna know exactly why I'm this way,
Take a trip to the land, swing this way.
After the song done, ain't much I can say,
Cleveland is my city, city.Chorus:
I be all day rollin' in my whip, got my sippin' cup out on the low.
I keep two pretty woman by my side, I'm cooler than a polar bear's toes

And I say,
Cleveland is that, Cleveland is the, Cleveland is the reason I'm cool.
Cleveland is that, Cleveland is the, Cleveland is the reason I'm leanin'.
Cleveland is that, Cleveland is the, Cleveland is the reason I'm cool.
Cleveland is that, Cleveland is the, Cleveland is my, my city, city."
