Chris Echols "HEAVEN" lyrics

Late night watching a movie with her now we're on the couch and the movies over, then something begins to take over me something tells me that's she's feeling freaky (she's feeling freaky) and then I looked at her as I rubbed her thighs she opened up with no surprise.. then I picked her up to her to the bedrooom all the signs point to its going down soon.. we wasting no time undid her clothes she did mines, she begged me to come inside now we're making sweet love.. I kissed her down to her thigh and then she looked in my eyes my body said it was time for us to make sweet love .. now im.. I'm so I don't care( I don't care) cause right now im your legs baby.. Im in deep while you stare (woowoo) moaning while you rub my head baby then we (idk) for loong , front position two position making good lovin then I told her its my mission to make you cum & then she told me (somebody do the night said heaven was in the sky X5) that's what she said to me X3.. said I feel HEAVEN in the room ( I feeeeell) said I feel heaven , heaven!. We on the road im going hard and im saying please girl don't stop it & how we ended on the flooorr I don't know .. ok now slow it down you almost got me with my haaandds can I explore your body (ooyeaayea) and with my lil strookess can I go til you stop maaaa (somebody do the night said heaven was in the sky) that's what she told me..(that's what she said) did you feel ? saay yea .. I feeeelll. (yea) said I feel .. then we laid down with the fan on us dead beat tired from all that love turned to her and I said then , in the morning girl im going back in.
