

# Heavy Is the Head (feat. Chris Cornell)

## Zac Brown Band

Heavy is the head that wears the crown  
Heavy is the head that wears the crown  
Black dog  
Drinks from the water  
Trying to cool his tongue  
Like the king  
Finds no peace  
His work is never done  
Night falls  
Smoke on the water  
Darkness closes in  
Cold white hand, in the deep  
Will drown you for your sin  
It's a life long expedition  
Second guessing your decisions  
Trying to find out what's been missing  
Pages keep on filling  
Crying out  
Go and wake the king  
Call to arms  
For those who kiss the ring  
Stand your ground  
The walls are coming down  
It's do or die  
Do or die  
Heavy is the head that wears the crown  
Heavy is the head that wears the crown  
Mad man  
Blood on the altar  
The Queen will have his head  
His ghost will shake those rattling chains  
Long after he's dead  
No soul, knows his trouble  
High upon his throne  
Loved by few and judged by many  
He bears that weight alone  
It's a lifelong expedition  
Second guessing your decisions  
Trying to find out what's been missing  
And the pages keep on filling  
Crying out  
Go and wake the king  
Call to arms  
For those who kiss the ring  
Stand your ground  
The walls are coming down

It's do or die  
Do or dieHeavy is the head that wears the crown  
Heavy is the head that wears the crownHeavy is the head that wears the crown
