Automatic Lover

Jay-Jay Johanson

Love in space and time
There's no more feeling
Automated lover
Cold and unappealingLonging to be touched
Longing for a kiss
Whisper words of love
Tell me that you miss meSee me, feel me, hear me, love me, touch me
See me, feel me, hear me, love me
See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love meNothing to caress
Not a hand to hold
I don't need her touch
'Cause her body's coldShe's programmed to receive
Automatic satisfaction
After love is done
Where's the true reaction?See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love me
See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love meCan you feel me?
Can you feel me?
Can you feel me?See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love me
See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love meCan you see me?
See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love me
Can you feel me?See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love me
See me, feel me, hear me, love me, touch me
See me, feel me, hear me, love me
