Forbidden Games

Last Heart Attack

I've got some bad ideas for me and you
That will make us fly through the stars!
I'm sure that I will scare you
But now just take my hand and close your eyes!I'll be your slave
So bound me very tight!
Bite my neck and kiss me
Do you like this perverse game?Tell me that, tell me that
Tell me that I'm your bad guy!
Tell me that, tell me that
Tell me that I'm your addiction!So darling, do you wanna play forbidden games?
Do you wanna play, with me forbidden games?Cover me with wax
And let it burn until it consumes the skin!
I'm not afraid of pain
Desire burns inside of me!Tell me that, tell me that
Tell me that I'm your bad guy!
Tell me that, tell me that
Tell me that I'm your addiction!So darling, do you wanna play forbidden games?
Do you wanna play, with me forbidden games?Forbidden games, (whoo) so darling, do you wanna play forbidden games?
Do you wanna play, with me forbidden games?I've got some bad ideas for you
To make us fly through the stars!
(Forbidden games)
I'm sure that I'll scare you
So now just please close your eyes!
