Pain

Doro Pesch

I wake up in the morning
in a cold sweat
when I think of your loving
you're holding back
I know I'm waiting
but it's all in vain
I sit here dying
just to breathe again
can't go on
can't get enough
when I miss you
I'm so alone
without you, without you
I'm walking on the border
of wrong and right
screaming for you baby
to ease my mind
no one is here who can get me through
all I need is a word from youI know I'm waiting
but it's all in vain
I sit here dying to feel love again
can't go on
can't get enough
when I miss you
I'm so aloneIn pain
time and time again
it's running through my veins
oh take away this pain
the darkness in my heart
let me breathe again
take away this painI'm talking to the shadow
on the wall
waiting for an answer
before I fall
am I dreaming
or are you near
were you calling
just to ease my fearAm I waiting all in vain
I sit here dying

to feel loved again
I can't go on
can't get enough
cos' I miss you
I miss your loveI'm in pain
time and time again
it's running through my veins
oh can you free my heart
the darkness in my head
let me breathe again
take away this pain
