It's Hot Tonight

Alice Cooper

It's hot tonight
Too hot for talkin'
It's hot tonightI sweat tonight
I sweat; no sleeping
It's too hot tonightDogs are barkin'
Cats are screamin'
Streets are steamin'
God's own heats the devil demonMy turn tonight
To burn with fever
I burn tonightI smoke tonight
I'm all on fire
It's damn hot tonightSummer nights: they
Make me crazy
Make me all hazyIt's hot tonight
It's too hot for talkin'
It's hot tonightI sweat tonight
I sweat; no sleeping
It's too hot tonightDogs are barkin'
Cats are screamin'
Streets are steamin'
God's own heats the devil demon, yeah
