Don't Care

Galantis

Letâ€™s keep on pretending that weâ€™re nowhere
Creating everything as we go
Letâ€™s keep on going till we have no fair
Weâ€™re lost in the sky, we just donâ€™t care!
Donâ€™t care, yeah donâ€™t care, yeah donâ€™t care
Donâ€™t care, yeah donâ€™t care
Weâ€™re lost in the sky, we just donâ€™t care!

We said weâ€™re not coming unless we get there
Changing all of us as it grows
Letâ€™s keep on going until it becomes clear
Weâ€™re lost in the sky, we just donâ€™t care!
Donâ€™t care, yeah donâ€™t care, yeah donâ€™t care
Donâ€™t care, yeah donâ€™t care
Weâ€™re lost in the sky, we just donâ€™t care!

Letâ€™s keep on pretending that weâ€™re nowhere
Creating everything as we go
Letâ€™s keep on going till we have no fair
Weâ€™re lost in the sky, we just donâ€™t care!
Donâ€™t care, yeah donâ€™t care, yeah donâ€™t care
Donâ€™t care, yeah donâ€™t care
Weâ€™re lost in the sky, we just donâ€™t care!
Donâ€™t care!
Donâ€™t care!
