Rush

Dagoba

I don't know why blood makes people rush,
Violence is a power you' ve denied so muchWe're all the same...I do know why drugs make people rush,
The meaning of life discovered in a secondary stateWe're all the same we're living down
The vicious, boiling, shouting crowd
We're coming from underground
Living down, we're the proud people apart...but
Mind, your own against, once again my own
Mind, your own against, once again my ownI do know why war makes people rush,
Destruction is a power we release so much !We're all the same we're living down
The vicious, boiling, shouting crowd
We're coming from underground
Living down, we're the proud people apart...but
Mind, your own against, once again my own
Mind, your own against, once again my own
Rush !
