

# Lately (From the HBO Series "True Detective")

[Lera Lynn](#)

Lately I'm not feeling like myself  
When I look into the glass, I see someone else  
I hardly recognize this face I wear  
When I stare into her eyes, I see no one there  
Lately I'm not feeling like myself Lately I've been losing all my time  
All that mattered to me slipped my mind  
Every time I hit another town  
strangers appear to lock me down  
Lately I've been losing all my time The mystery that no one knows  
Where does love go when it goes? Lately words are missing from now on  
Vanished in the haze of love gone wrong  
There's no future, there's no past  
In the present, nothing lasts  
Lately someone's missing from now on
