

Sadiddy

Brandy

Can't deny it a lil' bit, all the lies, all the lil'
I've worked for mines you'll get none of it
Stop talkin' about what you wanna get
You say that I wasn't really kind
And all this ice isn't really mine
All because you wanna piece of it
Puttin' down my name gon' have cease a bit
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
Yeah, today's a new day
Yeah, my girls are with me
Yeah, we all came out to play
If your rollin' with me don't try to be sadiddy
No, it's a shame how you spend your day
You swear that I'm always in your way
'Cause I ball out all in your face
But I don't care doin' what you say
All I can do is be myself
To do my thang I don't need no help
It's all good 'til you disrespect
If you step out of line know you will get checked
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
Yeah, today's a new day
Yeah, my girls are with me
Yeah, we all came out to play
If your rollin' with me don't try to be sadiddy

No matter what you say, wanna diss me than you may
Gotta do what I know best, top notch and no less
Much love for my people, treat 'em like we all equal
So don't try to tell me that I'm tryin' to be sadiddy
No matter what you say, wanna diss me than you may
Gotta do what I know best, top notch and no less
Much love for my people, treat 'em like we all equal
So don't try to tell me that I'm tryin' to be sadiddy
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
If you say it, I will do it, no I ain't sadiddy
If you cross me, I guarantee you, it won't be pretty
If you want it, I will give it to you, I ain't sadiddy
I'll be wildin', I know it ain't easy to get with me
