

Whispered Reason, No. 2

Starless

[Verse1]

I have seen your face
in the darkness I leave this place.

I wait for you so long,
I am calling you to my heart.[Chorus]

I break, siren of my soul, and I call
I will lose it all, if I fall[Verse 2]

I hear your voice,
let me come to you, my love
Hearts are broken and I am glass,
I will break your fall, I will smash.

If I fall.[Chorus]
I break, siren of my soul, and I call
I will lose it all, if I fall
