

# What Do You Want From Me

## Forever the Sickest Kids

Ow ow ow owHey! oh!  
Hey! oh!Do itI don't wanna waste my time again  
By getting wasted with so-called friends  
'Cause they don't know me  
But they pretend to be part of my social scenery  
And hey maybe I'm a critic, a cynic  
Or am I jaded? or am I afraid of it?  
'Cause it's draggin' me down  
It's bummin' me out  
It's makin' my head spin round and roundCan you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?  
Can you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?  
I get the feeling we're on to somethin'  
I say jump and you start jumpin'  
Can you say  
Hey  
Can you say  
Oh  
That's that, now what do you want from me?Just another day in the life of me  
It's three am and I can't sleep  
And I've been thinkin'  
That we've been drinkin'  
In hopes to maintain our sanity  
And hey maybe I'm a critic, a cynic  
Or am I crazy? do they all hate me?  
'Cause they pick me up  
And throw me down  
It's makin' my head spin round and roundCan you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?

Can you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?  
I get the feeling we're on to somethin'  
I say jump and you start jumpin'  
Can you say  
Hey  
Can you say  
Oh  
That's that, now what do you want from me?Whoo!  
Everything that I do  
It's never good enough for you  
I do my best, dress to impress  
With my heart out on my chest  
Goin' nowhere fast  
I don't know where I'm at  
When I say jump and you start jumpin'  
Hey!  
We're on to somethin'Can you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?  
Can you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?  
I get the feeling we're on to somethin'  
I say jump and you start jumpin'  
Can you say  
Hey  
Can you say  
Oh  
That's that, now what do you want from me?Can you say  
Hey  
Can you say  
Oh  
That's right, what do you want from me?  
Can you say  
Hey  
Can you say  
Oh

That's right, what do you want from me?  
I get the feeling we're on to somethin'  
I say jump and you start jumpin'  
Can you say  
Hey  
Can you say  
Oh  
That's that, now what do you want from me?
