

# Not Over Yet (Perfecto Radio Edit)

## Grace

Ooh, I'll live for you, I'd die for you  
Do what you want me to  
I'll cry for you my tears will show  
That I can't let you go It's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you  
It's not over, not over, not over, not over yet Don't let me down  
Don't make a sound  
Don't throw it all away  
Remember me so tenderly  
Don't let it slip away It's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you  
It's not over, not over, not over, not over yet  
Ooh yeah I'll live for you, I'd die for you  
Do what you want me to  
I'll cry for you my tears will show  
That I can't let you go It's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you It's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you  
(Yeah)
