

# Wasting Time (Live In George, WA)

Jack Johnson

Yeah  
And I'm just a waste of her energy  
And she's just wasting my time  
Mmmm  
So why don't we get together  
And we could waste everything tonight  
And we could waste and we could waste it all tonight  
Yea  
And we could waste and we could waste it all tonight And I don't pretend to know what you know  
No no  
Now please don't pretend to know what's on my mind  
If we already knew everything that everybody knows  
We would have nothing to learn tonight  
And we would have nothing to show tonight  
Oh but everybody thinks  
That everybody knows  
About everybody else  
Nobody knows  
Anything about themselves  
'Cause their all worried about everybody else  
Yeah  
Oh Love's just a waste of our energy yeah  
And this life's just a waste of our time  
So why don't we get together  
We could waste everything tonight  
And we could waste and we could waste it all yeah  
But everybody thinks  
That everybody knows  
About everybody else  
Now now now nobody knows  
Anything about themselves  
'Cause their all worried about everybody else yeah  
Oh  
And we could waste
