

Thanks for the Killer Game of Crisco Twister

Minus the Bear

And then we all bought yachts
And race up to the islands
And moored them at the docks
Leading up to our cabins We raced up just to slow down
We drank some, man, we always do
Sunglasses, to the water Our girls are looking so good
Our girls are looking so good Hey, please pass that dish
Refill my glass
And take off the sunglasses
The sunset, take in the twilight Our girls are looking so good
Our girls are looking so good And it was getting cold
The bay's got stories
That we don't know And we'll be one of them
And we'll be one of them
