

Just for Me

Demetrius West

Just For Me: Demetrius West

You know the story, how they nailed his hands and feet.

You know the story, how he bled on Calvary.

He didn't have to do it, but he did it.

He stayed up on that tree.

He could've come down but he didn't

Just for me.

They hung, my Savior up.

With a murderer and a thief.

He thirst, for water, they gave him vinegar to drink.

eli eli lama sabachthani, why has thou forsaken me

He could've come down, but he didn't. (7x) just for me.

Jesus went, to calvary, to save a wretch, like you and me that's love, that's love. (2x)

They hung him high, they stretched him wide, he hung his head, for me he died that's love, that's love.

But that's not how, the story end, three days later, he rose again. That's love, that's love

He could've come down but he didn't 3(x)

Just for me.
