

# Not One Stone

## Woven Hand

And in so  
They took on  
As far as one can go  
To crack the smile  
And the old backbone  
You offer up not your reason alone  
Deep asleep as wolves  
Who rise to worship their dreams  
Under the mountain  
Thin as thieves  
Armed to the teeth  
We have the same hands  
Behold the lamb  
Behold the lamb  
Given for us  
Made curse for us  
Behold the lamb  
Not one stone  
Atop another will stand  
As one of them  
I always am  
On my way down  
This weary melody ends  
The host of heaven descends  
Down beneath this bleeding ground  
Behold the lamb  
Behold the lamb  
Given for us  
Made curse for us  
Behold the lamb  
Behold the lamb  
Not one stone  
Atop another will stand
