

Fame

Naturi Naughton

Remember, remember, remember
Remember, remember, remember
Remember, remember, remember
Remember, remember, remember
Remember, remember, rememberBaby look at me and tell me what you see
You ain't seen the best of me yet
Give me time, I'll make you forget the restI got more to me, and you can set it free
I can catch the moon in my hand
Don't you know who I am?Remember my name
Fame! I'm gonna live forever
I'm gonna learn how to fly, high
I feel it comin' together
People will see me and cryFame, I'm gonna make it to heaven
Light up the sky like a flame
Fame, I'm gonna live forever
Baby, remember my nameRemember, remember, remember
Remember, remember, remember
Remember, remember, rememberBaby hold me tight
'Cause you can make it right
You can shoot me straight to the top
Give me love, and take all I've got to giveBaby, I return
Too much is not enough
I can ride your heart 'til it breaks
Ooh, I've got what it takesRemember my name
Fame! I'm gonna live forever
I'm gonna learn how to fly, high
I feel it comin' together
People will see me and cryFame, I'm gonna make it to heaven
Light up the sky like a flame
Fame, I'm gonna live forever
Baby, remember my nameRemember, remember, remember
Remember, remember, remember
Remember, remember, remember
Yeah, this is my lifeSee, I had a vision with nothing but cold
I had a story that had to be told
Been through hardships, I've lived and I've grown
And those lessons were burned inside but it rolledI'm lettin' it go, I'm livin' my life
I see it now, my name in lights
I'm on the ground, and it's not a game

I'm gonna make sure you remember my name Remember my name
Fame! I'm gonna live forever
I'm gonna learn how to fly, high
I feel it comin' together
People will see me and cry Fame, I'm gonna make it to heaven
Light up the sky like a flame
Fame, I'm gonna live forever
Baby, remember my name
Remember my name
