Playing My Game

Lene Marlin

Won't open my mouth
You know what I'll say
It hurts me that it's gotta be this way
I can no longer hide, God knows I've triedI held on as long as I could
If I could change it, I would
This is the way I am
And this is what I doI cry my tears
But they're not for you
Playing a game
I know, you've done tooI shouldn't have waited
But still it's all the same
'Cause you know
I'm just playing my gameClose your ears if you don't like
The sound of my voice
You're acting like I
Like I had a choiceBut to leave you behind
Well, I've made up my mindI cry my tears
But they're not for you
Playing a game
I know, you've done tooI shouldn't have waited
But still it is all the same
'Cause you know
I'm just playing my gameDon't hold me with your eyes
The light in them I cannot see
No need to blind me
There's this darkness where I walkYou thought you had your future
All figured outI cryI cry my tears
But they're not for you
Playing a game
I know, you've done tooI shouldn't have waited
But still it is all the same
'Cause you know
I'm just playing my game
I'm playing my game
