

# Can We Spend Some Time

## Hil St. Soul

If you wanna be with me, take a trip to ecstasy  
If you feeling what you see  
drop me a line, call me sometimeCan we spend sometime baby (I'd really like to get to know you)  
You're my kind baby (6 feet tall brown eyes and nice thighs)  
Can we spend some time baby( There's a lot I wanna show you)  
You're the one for meHey pretty baby  
What's new what's up with you  
It's kinda crazy  
Can't help but notice you  
I hope you're not taken  
Cause i wanna get with you, before the night is through  
Before the morning comes and sun rises  
Your style suits me now to the ground  
You're right on my street  
You're the flyest thing hanging around  
I must admit you got me straight tripping boo  
You give me such a thrill am getting off on you  
Just wanna love you  
Cause baby am so into youCan we spend sometime baby (I'd really like to get to know you)  
You're my kind baby (6 feet tall brown eyes and nice thighs)  
Can we spend some time baby( There's a lot I wanna show you)  
You're the one for meI wanna be your lady  
I wanna make your life complete  
Show you a new way  
A love that's oh so sweet  
Anything you say, is ok, cause am ready for you  
So come go with me  
I'll take you places that you've never been  
There ain't no use in wasting time  
Let's get stuck right in  
We can just chill or go hit the town  
Or maybe we can muscle up something to do  
Grab a bite or maybe have a drink or two  
Babe am easy  
Cause i just wanna be down with youCan we spend sometime baby (I'd really like to get to know you)  
You're my kind baby (6 feet tall brown eyes and nice thighs)  
Can we spend some time baby (There's a lot I wanna show you)  
You're the one for me (and lemme break it down for you like this)So whenever you want me  
Whenever you need me

I'll be here waiting for you in the night or in the morning

Is all right with me

Just holla at me (uh ohh ohh)

If ever you need me (whenever you need me)

Wherever i'll be

i'll be here waiting for you all you gotta do is call me

Drop me a line, call me sometimeCan we spend sometime baby (I'd really like to get to know you)

You're my kind baby (6 feet tall brown eyes and nice thighs)

Can we spend some time baby( There's a lot I wanna show you)

You're the one for me
