Killing Me

John Newman

I know I said it, from the start
There ain't no pressure, there will be months apart
But I can feel it, it's kicking me
My paranoia, is back againSo you, you got to stop this, you got to stop this
Cause I can taste your broken kiss, your broken kiss
It doesn't stop me to tell you thisNo games, are ki-ki-ki-ki-killing me
Can't you see, this ain't the way it's meant to be
No games, are ki-ki-ki-ki-killing me
No games baby, no games, alright
It's been six months since this began
On a bedroom floor in a la-la-land
WIth times are changing, I met your dad
I tell my mother, yo that's not herSo you, you got to stop this, you got to stop this
Cause I can taste your broken kiss, your broken kiss
It doesn't stop me to tell you thisNo games, are ki-ki-ki-ki-killing me
Can't you see, this ain't the way it's meant to be
No games, are ki-ki-ki-ki-killing me
No games baby, no games, alrightThey don't know you like me
They don't see what I see
Them guys don't want your heart, heart
They don't know you like me
They don't see what I see
They won't tell you what (?)
nanana titit ka ka
No games, are ki-ki-ki-ki-killing me
Can't you see, this ain't the way it's meant to be
No games, are ki-ki-ki-ki-killing me
No games baby, all sing it
No games, are ki-ki-ki-ki-killing me
Can't you see, this ain't the way it's meant to be
No games, are ki-ki-ki-ki-killing me
No games baby, no games, alright
No games, are ki-ki-ki-ki-killing me
Can't you see, this ain't the way it's meant to be
No games, are ki-ki-ki-ki-killing me
No games baby, no games, alright
