Kings Of The Wild Frontier (First Version)

Adam and the Ants

A new Royal Family, a wild nobility, we are the family
A new Royal Family, a wild nobility, we are the family
A new Royal Family, a wild nobility, we are the familyI feel beneath the white
There is a redskin suffering
From centuries of tamingNo method in our madness
Just pride about our manner
Antpeople are the warriors
Antmusic is the banner!A new Royal Family, a wild nobility, we are the family
A new Royal Family, a wild nobility, we are the familyAnd even when you're healthy
And your colour schemes delight
Down below those dandy clothes
You're just a shade too white
Shade too white!
Shade too white!I feel beneath the white
There is a redskin suffering
From centuries of taming...I feel beneath the white
There is a redskin suffering
From centuries of taming...
