Honking Antelope

Serj Tankian

Why don't you go photograph everything that ever passed in time?
Indigenous traces, tribal chiefs, vanishing hereditary lines
Poets gone wild on the muse, prophets all destroying the Tao
When you see that honking antelope
The secret dance of snakes, the tales of it all
Nature based beings will survive apocalyptic days of now
Poets gone wild on the muse, prophets all destroying the Tao
When you see that honking antelope
The secret dance of snakes, the tales of it all, of it all
Run away with me now
Run away with me now, my life
We are the cause of a world that's gone wrong
Nature will survive us human dogs after all

Why don't you go and photograph everything that ever passed in time?
Poets gone wild on the muse, prophets all destroying the Tao
When you see that honking antelope
The secret dance of snakes, the tales of it all
When you see that honking antelope
Secret dance of snakes, the tales of it all, of it all
Run away with me now
Run away with me now, my love
We are the cause of a world that's gone wrong
Nature will survive us human dogs after all
We are the cause of a world that's gone wrong
Wouldn't it be great to heal the world with only a song?
