

Honking Antelope

Serj Tankian

Why don't you go photograph everything that ever passed in time?

Indigenous traces, tribal chiefs, vanishing hereditary lines

Poets gone wild on the muse, prophets all destroying the Tao

When you see that honking antelope

The secret dance of snakes, the tales of it all

Nature based beings will survive apocalyptic days of now

Poets gone wild on the muse, prophets all destroying the Tao

When you see that honking antelope

The secret dance of snakes, the tales of it all, of it all

Run away with me now

Run away with me now, my life

We are the cause of a world that's gone wrong

Nature will survive us human dogs after all

Why don't you go and photograph everything that ever passed in time?

Poets gone wild on the muse, prophets all destroying the Tao

When you see that honking antelope

The secret dance of snakes, the tales of it all

When you see that honking antelope

Secret dance of snakes, the tales of it all, of it all

Run away with me now

Run away with me now, my love

We are the cause of a world that's gone wrong

Nature will survive us human dogs after all

We are the cause of a world that's gone wrong

Wouldn't it be great to heal the world with only a song?
