

Our Lips Are Sealed (Live - Boston, MA)

The Go-Go's

Can you hear them
They talk about us
Telling lies
Well that's no surprise Can you see them
See right through them
They have no shield
No secrets to reveal It doesn't matter what they say
In the jealous games people play
Our lips are sealed There's a weapon
We must use
In our defense
Silence When you look at them
Look right through them
That's when they'll disappear
That's when you'll be feared It doesn't matter what they say
In the jealous games people play
Our lips are sealed
Pay no mind to what they say
It doesn't matter anyway
Our lips are sealed Hush, my darling
Don't you cry
Quiet, angel
Forget their lies Can you hear them
They talk about us
Telling lies
Well that's no surprise Can you see them
See right through them
They have no shield
No secrets to reveal It doesn't matter what they say
In the jealous games people play
Our lips are sealed
Pay no mind to what they say
It doesn't matter anyway
Our lips are sealed
Our lips are sealed
Our lips are sealed
