

# Waiting For This Moment (Demo)

## The Stereo

it's no wonder i'm alone  
unused ringing telephone  
is all that's between my happiness  
and a last chance at loneliness  
much to my dismay i lie  
much to my surprise i fight  
attempts people make are ridiculous  
try so hard to remain ambiguous  
you know it's hard to be somebody  
when everyone around me is laughing  
all that i can do is nothing  
i swear it's ok  
i want you to stay  
so tell me what do you say  
all my life i've waited for this moment  
i want you to know  
i swear that i'll go  
if you take one more step, don't  
cause all my life i've waited for this moment  
it's enough to make you cry  
but still you have to wonder why  
more than you know i envy you  
but i'll never give up or in to you
