

# Hooked On Love

## Dead or Alive

Satisfy my need in life, now  
Let me hear you say  
You'll be lovin' me alright  
Until your dyin' daySay it a little bit louder, now  
I'm startin' to get in your groove  
You've got nothing to worry about  
Your love is on the moveI hope some day the light of love  
Shines bright upon your face  
I don't care who you are  
I love the human raceDon't you know that I am hooked on love  
Don't you know I am hooked on love  
Believe me when I say it, hooked on love  
Hooked on loveBelieve me when I say it, hooked on love  
Believe me, I'm not mad, hooked on love  
Hooked on love  
Hooked on love
