

# My Amigo

## Terry Allen

I need money, I need love  
I need a Cadillac to give me a shove  
And get me out of this up-tight  
Midnight into some lime-light again Yeah, 'cause I know my ego  
Ain't my amigo anymore An' I need whiskey, I need style  
I need a job to make it worthwhile  
And to get me out of this up-tight  
Midnight into some lime-light again Yeah, 'cause I know my ego  
Ain't my amigo anymore  
Yeah, 'cause I know my ego  
Ain't my amigo anymore
