It's Gotta Be Love

Reba McEntire

It's gotta be love that keeps us together
It's gotta be a feeling from the heart
It's gotta be love and it must last forever
Or I won't let the fire start, it's gotta be loveI don't have time for a part time love affair
I can't pretend it's love when it's not really there
So don't you lead me on if you don't really care
It's gotta be real and I got a feelingIt's gotta be love that keeps us together
It's gotta be a feeling from the heart
It's gotta be love and it must last forever
Or I won't let the fire start, it's gotta be loveI can't just let you take my love and walk away
And you must know that love is not a game I play
So when you say you love me you better mean just what you say
It's gotta be real and I got a feelingIt's gotta be love that keeps us together
It's gotta be a feeling from the heart
It's gotta be love and it must last forever
Or I won't let the fire startIt's gotta be love that keeps us together
It's gotta be a feeling from the heart
It's gotta be love and it must last forever
Or I won't let the fire start
