## Tyga

Aye, who that in the Lambo?  
That's them Last King boy, huh?  
Last King Records takin' over for the 2016 'til forever  
I got bitches in my swimming pool  
Real life mermaids  
Models in my living room  
Lined by Hermes  
Yeah nigga  
Somebody must have heard me when I prayed  
'Cause I'm paid cash money  
Cash Money never paid me  
But your boy did his thing  
And still make cash money  
Yeah it's mine I can throw it in the air if I wanna  
Rolex, mo' sex

Bad bitches  
Ass, chest  
Rich niggas, no stress  
Smoke when I wanna  
Ball when I wanna  
Fuck who I wanna  
Everything a hundred  
My cars diamond diamond  
Still minks in the summer  
Ice in my grill  
Tattoos on my stomach  
Yeah, she break it down  
Break break it down
