

# Beautiful Sinner

Nicki Minaj

South Africa is where I come from  
Get me my banjo, get me my drum  
Kidnap career & don't take ransom  
Don't let me come out of my dungeon

You want me to leave then take it down  
You see me come out of England at dawn  
You say the pattern come from Kingston  
Trinidad Trinidad, my island

I see you in here dancing  
Your preview is quite romantic  
I envy your perfect kind of life  
Who knew you'd be so sexy?  
I think you're quite fantastic  
Screw your flaws  
You're perfect in my eyes

And maybe I'm naive for loving you  
You're a cheat and a liar  
But tonight you're everything I desire

You beautiful sinner  
I love your wicked heart  
Beautiful sinner  
It's such a work of art

I didn't know that bad could look so good  
You are the type of bad that feels so good  
Beautiful sinner

I bet you're heart of stone  
Living in your world alone  
I hope you let me in tonight  
They want me to beware  
You're dangerous, I don't care  
I can't wait to have you in my arms

And maybe I'm naive for loving you  
You're a cheat and a liar

But tonight you're everything I desire

You beautiful sinner  
I love your wicked heart  
Beautiful sinner  
It's such a work of art

I didn't know that bad could look so good  
You are the type of bad that feels so good  
You're a beautiful sinner

Maybe your the master of disguise  
And you are put it on and  
Your really the saint that could walk  
Are you here to save me from the crowd?  
If you are then baby take me now

You beautiful sinner  
I love your wicked heart  
Beautiful sinner  
It's such a work of art

I didn't know that bad could look so good  
You are the type of bad that feels so good  
You're a beautiful sinner
