

Forgiveness

Tobymac

'Cause we all make mistakes sometimes
And we all step across the line
But nothing's sweeter than the day we find
We find

It's hanging over him like the crowds of Seattle
And raining on his swag, falling deeper in the saddle
It's written on his face, he don't have to make a sound
Somebody call the 5-0, we've got a man down

Now you can go and play it like your own rock n' roll
It does the job on each and every man's soul
And when your head is a pillow with a nice fall
You can beat your life that it's gonna be a fight y'all

'Cause we all make mistakes sometimes
And we've all stepped across that line
But nothing's sweeter than the day we find
Forgiveness, forgiveness

And we all stumble and we fall
They just burn underneath it all
But nothing's sweeter than the pain
Sweeter than the pain, recall

Time for forgiveness
We all need, we all need
We all need forgiveness
We all need, we all need

This the Lecrae

My mama told me what I would be in for
If I get to the sun, get inside of me pimped up
My heart's been broken and my wounds been open
And I don't know if I can hear "I'm sorry" been spoken
But those forgiving much should be quicker to give it
And God forgave me for it all, Jesus beg forgiveness
So when the stones fly and they aimed at you

Just say "forgive them Father, they know not what they do"

Now you can go and play it like your own rock
It does the job on each and every man's soul
And when your head is a pillow with a nice fall
You can beat your life that it's gonna be a fight ya'll

'Cause we all make mistakes sometimes
And we've all stepped across that line
But nothing's sweeter than the day we find
Forgiveness, forgiveness

And we all stumble and we fall
They just burn underneath it all
But nothing's sweeter than the pain
Sweeter than the pain, recall

Time for forgiveness
You know we need that that that
You know we need that that that
You know we need that that that

No matter how lost you are
You're not that far, you're not too far (from forgiveness)
No matter how hurt you are
You're not that far, you're not too far (from forgiveness)
And no matter how wrong you are
You're not that far, you're not too far (from forgiveness)
No matter who you are
You're not that far, you're not too far (from forgiveness)

Ask for forgiveness

'Cause we all make mistakes sometimes
And we've all stepped across that line
But nothing's sweeter than the day we find
Forgiveness, forgiveness

And we all stumble and we fall
They just burn underneath it all
But nothing's sweeter than the pain
Sweeter than the pain, recall

Time for forgiveness
We all need, we all need
We all need forgiveness

We all need, we all need

No matter how lost you are

We all need forgiveness

No matter how hurt you are

We all need forgiveness

And no matter how wrong you are

Youâ€™re not that far, youâ€™re not too far (from forgiveness)

No matter who you are

Youâ€™re not that far, youâ€™re not too far

We all need forgiveness forgiveness
